 HERE IS ONE BIG BOOK OF FUN. BEFORE YOU'RE DONE YOU'LL LAUGH A TON! Award-winning author Judi Barrett and illustrator Daniel Moreton invite young readers to think of numbers, counting, and rhyming in a whole new way. A Few Words From the Author: I've always wanted to create a different kind of counting book. I love playing with words, rhyming them, making jokes with them, and playing with their sounds. I had such a good time writing *I Knew Two Who Said Moo*. I started with the sound of each number, and then thought of other words with similar sounds that I could use to create these nonsense rhymes that do make sense -- in a silly way! Writing this book made me laugh. I hope it makes you laugh too! Your friend, JUDI BARRETT.

Reviews

An extremely wonderful pdf with perfect and lucid information. Better than never, though I am quite late in starting reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.
