Bibliogov, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.In this second issue of Geography and Public Safety, Volume 2, neighborhoods and the importance of geographic composition is discussed. This issue looks at topics, definitions, and technologies that demonstrate that neighborhoods matter. Articles bring the abstract idea of a neighborhood into a concrete set of ideas for practice. The articles by Marc Buslik, Phil Canter, and Mark Warren highlight how multiple delineations of neighborhood boundaries make it more difficult for the police to serve the public adequately. John Markovic discusses why neighborhoods matter when implementing community policing. Lastly, Jim Zepp highlights how residents of various neighborhoods participated in a government contest to create web sites that helped citizens of Washington, D.C., better communicate information about their neighborhoods to others.
