LifeWay Christian Resources, 2006. Trade paperback. Book Condition: New. *Victoriously Frazzled: The Frazzled Female's Guide to Restoring Her Sanity* by Cindi Wood is a great followup study to the immensely popular *The Frazzled Female*. *Victoriously Frazzled* will help any worn out, burned out, and stressed out woman understand the Spirit God has given her. The goal is to lead women into the presence of God right in the midst of their "frazzledness." By doing so, women will gradually pull back from confusion and doubt, from fear and self, and allow God's Spirit to have His way in their lives. Each chapter of this print-driven study includes a Defrazzler to help women delve more deeply into the insights from each week's study. Relax in the Word is an optional time of study to help women explore the Scriptures in more detail. Individual study is approximately 20 minutes each day for five days per week. A Leader Guide is provided in the back of the Member Book.
