The findings are presented in two sections followed by a summary, and a methodology and technical notes section. The first findings section pertains to the overall gains children make during the kindergarten year in reading and mathematics. Findings in this section are based on childrens overall reading and mathematics scale scores. The second section of findings describes the extent to which children acquire specific reading and mathematics knowledge and skills during the kindergarten year. This section also includes information about childrens acquisition of various social skills over the school year. In this section, findings are reported in terms of the probabilities that children demonstrate specific reading and mathematics proficiencies, and the percent of children who demonstrate specific social skills. Each of the two sections on findings presents information...
