

The Proverbs of Solomon: Theologically and Homiletically Expounded (Classic Reprint)

Filesize: 7.88 MB

Reviews

This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE PROVERBS OF SOLOMON: THEOLOGICALLY AND HOMILETICALLY EXPOUNDED (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Proverbs of Solomon: Theologically and Homiletically Expounded The present volume corresponds to Parts XII. and XIII. of the Old Testament Division of Dr. Lange's Biblework, and contains the Solomonian writings, Proverbs, Ecclesiastes, and the Song of Solomon. They form an important part of the Old Testament, and give us the poetry and practical philosophy of the wisest of men, with none of his follies and sins, which were overruled in his writings for the advancement of wisdom and virtue. The English translation, with additions and improvements, was intrusted to three eminent Oriental and Biblical Scholars, too well known in America to need an introduction. They have done their work well, and have added very materially to the value as well as the size of the original. In this volume the text of the Authorized Version is superseded by a new metrical version in accordance with the laws of Hebrew poetry. The same will be the case in the other poetical books of the O. T. To retain the prose version of King James revisers, and to insert the corrections in brackets, would conceal to the reader the beauties of the original as a work of art. In Ecclesiastes, Prof. Tayler Lewis has thought best to retain the common version for the Commentary, and to give his metrical version as a separate appendix. Some remarks will introduce the author of this part of the Biblework, and explain the relation which the several parts of the American edition sustain to the German. Dr. Zockler. The author of this Commentary on the Solomonian writings belongs to the younger generation of German divines, and appears now for the...
