Paperback. Book Condition: New. Not Signed; Second enthralling book in the Twinmaker sequence - the surface of the future has been scratched and found to be less than perfect. I am the real Clair Hill and I am telling you the truth. We saved the world from Improvement, but that was only the beginning. Clair and Jesse have barely been reunited when the earth is plunged into its biggest crisis since the Water Wars. The d-mat network is broken. People are trapped, injured, dying. It's the end of the world as Clair knows it - and it's partly her fault. The girl who killed d-mat is enlisted to track down the rogue AI known as Q, who is now missing. Q is the key to fixing the system, but she isn't responding to any calls for help, and anyway, can she be trusted? Caught between pro and anti d-mat philosophies, on the brink of all-out war, Clair must decide where she stands - and who she stands with - at the end. book.
