It is a part of life itself. It is not about the fact that life has taken its toll, it is about how we choose to deal with the experiences. Do not get hung up on why you are in the valley. It doesn t matter how you got there. The question you must ask yourself is the same question God asked Ezekiel, Can these dry bones live? Can you see life in your health, your finances, your marriage, your job, your relationships, your children, freedom from your past? Can you find restoration in your dry place and a renewed hope for tomorrow? God is not absent from your valley, He is right there in the midst of it all. The voice Christal Jenkins emanates throughout the pages of **LIVE!** reveals her ability to not only communicate a message of grace and truth, but of warmth, love and compassion for those who read it. You will truly enjoy the message Christal shares, and the way in which she shares it. She has a natural storytelling style and is a born Bible teacher. Overall, the book is well-written, engaging, and has an important takeaway message...
