The Cloud of Unknowing is an anonymous work of Christian mysticism written in Middle English in the latter half of the 14th century. Along with The Cloud were written six accompanying treatises. Chief among these is Epistle of Privy Counsel which is also reproduced in this text. The Cloud is a spiritual guide on contemplative prayer. The underlying message of this work proposes that the only way to truly know God is to abandon all preconceived notions and beliefs or knowledge about God and be courageous enough to surrender your mind and ego to the realm of unknowingness, at which point, you begin to glimpse the true nature of God. The book counsels a young student to seek God, not through knowledge and intellect (faculty of the human mind), but through intense contemplation, motivated by love, and stripped of all thought. This is brought about by putting all thoughts and desires under a cloud of forgetting, and thereby piercing God's cloud of unknowing with a dart of longing love from the heart. This...
