

Essays on the Intellectual History of Economics

By Former Professor of Economics Jacob Viner

Princeton University Press, United States, 2014. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book. Ranking among the most distinguished economists and scholars of his generation, Jacob Viner is best remembered for his work in international economics and in the history of economic thought. Mark Blaug, in his Great Economists Since Keynes (Cambridge, 1985) remarked that Viner was quite simply the greatest historian of economic thought that ever lived. Never before, however, have Viner's important contributions to the intellectual history of economics been collected into one convenient volume. This book performs this valuable service to scholarship by reprinting Viner's classic essays on such topics as Adam Smith and laissez-faire, the intellectual history of laissez-faire, and power versus plenty as an objective of foreign policy in the seventeenth and eighteenth centuries. Also included are Viner's penetrating and previously unpublished Wabash College lectures. Jacob Viner was one of the truly great economists of this century as both teacher and scholar. This collection .covers a wide range with special emphasis on the history of thought. Today's economists will find [the essays] just as thought-provoking and as illuminating as did his contemporaries. They have aged...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
