Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Nicholas s Notes, and Sporting Prophecies: With Some Miscellaneous Poems, Serious and Humorous The records of the life of a literary man, like William Jeffery Prowse, are almost invariably uneventful. The victories of the pen are won in the silence and seclusion of the study; although their effect is at least as wide-spread and as important as that of the more conspicuous achievements of the sword. Moreover, in the ranks of the Press Militant, the captain is as little known to the public as the private soldier; - the most brilliant leader-writer, except amongst his immediate friends and fellow-workers, is as unrecognized as the reporter of fires, suicides, and police cases. Of the thousands of readers, whom his clear reason had influenced, who had been fascinated by the charm of his style, scarcely one understood all that was meant by the simple announcement of the death of William Jeffery Prowse. Nevertheless, I will not allow these few of his literary remains to be published without a brief chronicle of his life. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
