Sunbury Press, Inc., United States, 2011. Paperback. Book Condition: New. 251 x 201 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book, Bruce Knapke has assembled images from his private mission to document an event too horrific for words to express - the results of attack on the World Trade Center on September 11, 2001. Drawing on a lesson he d learned in workshops given by a professional photographer and his art teacher, Knapke sought to see things from a fresh perspective, to look at things differently. Painstakingly, he sought images that would show the tragedy differently as he tried to make sense out of the surreal event that changed the country in general and his perspective on life specifically. He photographed everything he witnessed around Ground Zero, from the people who came to pay their respect to those who had died to those who came simply to see what had happened for themselves, from messages on the huge walls constructed around the fallen buildings to shrines spontaneously constructed for those who had died, from debris falling after the first plane hit to the ceremonies that marked the first anniversary of the tragedy. He found truth in ordinary objects, like the Manhattan phone book buried under layers of dust and a simple electrical...
