# PROBLEMS OF RURAL AGED

2008. Hardcover. Book Condition: New. 264 Ageing is a universal and irreversible process. The rate of ageing is not uniform but different from individual to individual. Getting old is the result of the interplay of biological, sociological, psychological, and ecological factors. The interaction of declining fertility and mortality regimes governs the pace of population of ageing. This faster pace of demographic transition in developing countries has resulted in a growth of the aged population not only in proportion to that...
