Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

Bantam Doubleday Dell Publishing Group Inc, United States, 1987. Paperback. Book Condition: New. Reissue. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. I am writing this book in hopes that it will help men who have lost their way to find it again in friendship and love. Everywhere I go, I see lonely people who, even though they cannot put their longing into words, are still hoping for some experience of love and understanding that will give them the strength to face life with a little more courage. People really are not looking for somebody with all the answers for life's riddles; they are quite prepared to live with mystery when the sustaining power of love is present. They can accept the seeming unfairness of life, with all its pains and disappointments, when they have been touched by love, and when they have learned that sharing love and friendship is what holds life together. When you have experienced real love you know that it does not come in any ideal state, that it is marked with pain as well as joy and that, if you are serious about it, you have to keep growing in it and working at it.
