Brand New Book ***** Print on Demand *****.Mine host rubbed his chin; he had neither beard nor moustache but wore hideous whiskers; he rubbed it thoughtfully and looked at Rodriguez. Yes, he said, he could have a bed for the night. No more words he said, but turned and led the way; while Rodriguez, who could sing to the mandolin, wasted none of his words on this discourteous object. They ascended the short oak stairway down which mine host had come, the great timbers of which were gnawed by a myriad rats, and they went by passages with the light of one candle into the interior of the inn, which went back farther from the street than the young man had supposed; indeed he perceived when they came to the great corridor at the end of which was his appointed chamber, that here was no ordinary inn, as it had appeared from outside, but that it penetrated into the fastness of some great family of former times which had fallen on evil days. The vast size of it, the noble design where the rats had spared the carving, what the moths had left of the tapestries, all testified to that; and, as for the evil days, they hung about the place, evident even by the light of one candle guttering with every draught that blew from the haunts of the rats, an inseparable heirloom for all who disturbed those corridors.
