Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Voices of the Night This Volume is meant to be a sort of whispering gallery, in which may be heard the manifold and mingled voices of the night now far spent. Amid that darkness which thickens as the dawn draws near, and in the wilderness whose intricacies grow more perplexing as the land of promise is approached, the traveller watching for sunrise, and sometimes at a loss which way to turn, may be directed and perhaps encouraged by these echoes of celestial voices borne earthward, sounding at times a promise, at times an encouragement, and always a direction - This is the way, walk ye in it. The writer believes that every voice he has sought to make audible has its origin in the Word of God. Its key-note is there. The harmonies he has arranged are combinations, not creations of his own.
