Outlines of Theoretical Chemistry (Classic Reprint)

By Frederick H Getman

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Outlines of Theoretical Chemistry The author is fully convinced from his own experience as well as from that of his colleagues, that the complete mastery of the fundamental principles of the science is best attained through the solution of numerical examples. For this reason, typical problems have been appended to various chapters of the book. Numerous references to original papers have been given throughout, since the importance of literary research on the part of the student is conceded by all teachers to be of prime importance. While a brief account of radioactive phenomena might very properly be considered to lie within the scope of a general outline of theoretical chemistry, yet owing to the unparalleled growth of knowledge in this field during the last decade, the author has come to believe that a condensed statement of the main facts of radiochemistry would not be of sufficient value to justify the effort involved in its preparation. In the original preparation of his lectures, and in their evolution into book form, the author has had frequent occasion...
