SIMON SCHUSTER, United States, 2010. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. Should CEOs act as moral compasses for their companies? Leo Hindery thinks they should. If every CEO did so, then Enron, WorldCom, Adelphia, and Tyco would not have become poster children for greed. They would not have become corporate embarrassments -- living illustrations of all that can go wrong in the corner office. How did these once prestigious companies fall off the ethical cliff? How is it that reputations were destroyed, shareholders lost value, employees (in many cases) lost everything, and, in a few cases, entire companies disappeared? Everyone is pointing fingers, and the new widespread mistrust of public companies may turn out to be more damaging to America's economic future than the billions actually lost in the scandals. Now, one of America's most prominent corporate leaders illuminates the need for more integrity and less greed among executives. In a scathing examination of why leaders have lost their way, Leo Hindery speaks out on the role of the CEO. Does the corporate culture have to be driven by greed? Or can you do good and still make good in the big business world? Leo Hindery, the former CEO and President of companies such as ATT Broadband, TCI, and the YES Network -- and currently Managing Partner of InterMedia Partners -- forcefully advocates approaching a business career as life's meaningful work, and not merely as a way to accumulate personal wealth. Both fiery and optimistic, Hindery calls upon his fellow executives to conduct themselves with the kind of integrity that used to be commonplace, but now seems all too rare. Holding his moral yardstick up to some of the worst transgressions in recent memory, Hindery tackles the toughest issues...
