They're actually very picky eaters. This is in spite of many sources showing them eating everything from homework to tin cans. Goats are very interesting creatures; they have been domesticated (herded and raised by humans) for longer than people have had a written language. Goats aren't a bit part of modern day life for most people, but they have long been a source of food, clothing, and other goods for people the world over. Goats are good for milk, fibers (to make fabric out of), skin, meat, and their horns. They are similar to sheep...
