Emereo Publishing. Paperback. Book Condition: New. Paperback. 180 pages. Dimensions: 9.6in. x 7.5in. x 0.6in. The first and second edition of this book are regarded as a classic in its field. These skills are essential, as IT is expected to play a more prominent role in the direction of the business. When a company matures and scales, it takes a different IT view, moving from reactive to predictive. The way to be successful is using...
