

The Case for Pluto: How a Little Planet Made a Big Difference

By Alan Boyle

Turner Publishing Company. Hardback. Book Condition: new. BRAND NEW, The Case for Pluto: How a Little Planet Made a Big Difference, Alan Boyle, In support of Pluto-the cutest and most unfairly treated planet Pity poor Pluto: It's a planet that was discovered because of a mistake, a planet that turned out not to be a planet at all, thanks to a still-disputed decision made in 2006. And yet, Pluto is the planet best-loved by Americans, especially children, one that may have contained the building blocks of life billions of years ago and may well serve as life's last redoubt billions of years from now. In The Case for Pluto, award-winning science writer Alan Boyle traces the tiny planet's ups and downs, its strange appeal, the reasons behind its demotion, and the reasons why it should be set back in the planetary pantheon.* Tells the compelling story of Pluto's discovery and how it became a cultural icon* Makes the case for Pluto as planet, countering the books that argue against it* Comes in a small, friendly package - just like Pluto - and features a handsome design, making it a great gift The Case for Pluto is the must-read tale of...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
