Harvest House Publishers,U.S. Paperback. Book Condition: new. BRAND NEW, Strange and Mysterious Stuff from the Bible: From the Weird to the Wonderful, Stephen M. Miller, Stephen Miller, bestselling author of Complete Guide to the Bible and Who's Who and Where's Where in the Bible, compares reading the Bible to driving a country road. "We're cruising along reading a fine little story when suddenly we hit a jaw dropper of a narrative pothole. Right out loud we might say, What on earth is this doing in God's holy Word?" You can't read far in the Bible without being jolted by an account of polygamy, slavery, or gender inequality. Other stories read almost like comedies - like the one about a dead man springing to life when his corpse touches a prophet's bones. How do you face these things honestly? With a touch of dry humor, Miller identifies bumps in the road, briefly offers popular interpretations, and leaves you with food for thought. This is a fast-paced, fun, and reliable guide for your tour through the Bible.
