I recently went through some old sketchbooks of mine and realized that Id been drawing a character that looked kind of like our main character, Claudette, years before we even began the book. I guess Ive had this character of this girl with a lot of spunk in my subconscious for a while. Im also really into French comics and that influenced the look quite bit. Which character do you identify with and why? Rafael: Im not impulsive like Claudette. Im probably most like Gaston. He thinks before taking the leap. He worries a lot. Thats probably more like me. Jorge: I wish I could say I was like Marie. Marie doesnt care what other people think of her. In this book, she aspires to be a princess and other kids make fun of her, but she doesnt pay them any attention. Shes very confident and smart. I wish I were more like her. I also wish I were like Claudette....
