Boys, Girls & Learning Pocketbook

By Ian Smith

Management Pocketbooks. Paperback. Book Condition: new. BRAND NEW, Boys, Girls & Learning Pocketbook, Ian Smith, While there are more similarities between girls and boys than there are differences, there are innate differences in how boys and girls think, feel, behave and learn. These are particularly marked in the early and teenage years. That said, not all boys and not all girls are the same. The challenge for education is to avoid the pitfall of gender stereotyping while understanding and exploiting gender differences for better teaching and better learning. In the cartoon-illustrated Boys, Girls & Learning Pocketbook, Ian Smith argues against 'gender neutral' education, explaining that gender may be as important a factor as age in how we educate young people. By letting boys be boys and girls be girls we can help them mature into confident adults, comfortable with themselves and capable of relating appropriately and effectively to other men and women. Using a range of visual devices to support the text, the book begins by outlining our current understandings about gender and learning. There are sections on building effective relationships with both girls and boys; helping them to behave; making learning physically active, ensuring learning is relevant; and helping...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- **Beverly Hoppe**

Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and he suggested this ebook to discover.
