Threshold Editions, United States, 2015. Paperback. Book Condition: New. Reprint. 229 x 152 mm. Language: English . Brand New Book. From #1 bestselling author and popular radio and television host Glenn Beck, the powerful follow-up to his national bestseller *Miracles and Massacres*, which was praised as moving, provocative, and masterful (Michelle Malkin, bestselling author of *Culture of Corruption* ). Everyone has heard of a Ponzi scheme, but do you know what Charles Ponzi actually did to make his name synonymous with fraud? You ve probably been to a Disney theme park, but did you know that the park Walt believed would change the world was actually EPCOT? He died before his vision for it could ever be realized. History is about so much more than dates and dead guys; it s the greatest story ever told. Now, in *Dreamers and Deceivers*, Glenn Beck brings ten more true and untold stories to life. The people who made America were not always what they seemed. There were entrepreneurs and visionaries whose selflessness propelled us forward, but there were also charlatans and fraudsters whose selfishness nearly derailed us. *Dreamers and Deceivers* brings both of these groups to life with stories written to put you right in the middle of the action. From the spy Alger Hiss, to the visionary Steve Jobs, to the code-breaker Alan Turing--once you know the full stories behind the half-truths you ve been force fed.once you begin to see these amazing people from our past as people rather than just names--your perspective on today s important issues may forever change.
