Carlton Books Ltd, United Kingdom, 2015. Hardback. Book Condition: New. 204 x 135 mm. Language: English . Brand New Book. Revenge. It's a basic human instinct. It may not be admirable but it does feel great. If you're angry about something it's best to get it out of your system and, let's face it, it's hard not to get angry these days in this dog-eat-underdog world of one-upmanship, faceless corporations and automated bureaucracy. That's where revenge comes in. With the right tactic you can get your own back and make their lives as frustrating as they try to make yours. You'll find everything you need to exact merciless retribution upon anyone in the pages of this handy, illustrated book. Each trick begins with The Dirt, an explanation of what the trick entails, why you'd want to do it, and suitable occasions for it. Then comes The Trick, a full explanation of how to perform or set up the whole thing. All is told in Paul Zenon's unique style, introducing typical characters that we all recognize from work, play and family. It all adds up to a great source of practical jokes.
