Createspace, United States, 2013. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.To meditate, you don t need to follow a particular religion, espouse New Age theories and beliefs, bow to a guru, sensei, sifu, or a robed and bearded guide. Nor do you need to burn incense or rub crystals. This book shows you easy ways to meditate whenever and wherever you want-you ll learn how to do it without anyone knowing-and still hang out with your military pals, cop buddies, and fellow martial arts students. You can still own a pit bull, drive a Harley, and share lies with your drinking buddies. The same is true whether you re a firefighter, doorman, bodyguard, medic, or security officer. The simple fact is, meditation as taught within these pages, will make you a better warrior. I wish I would have had this book before I deployed to Afghanistan. It s exactly what I was looking for. - Army veteran No matter who you are, Loren has things to teach you and if a veteran this grizzled presents a book of the precious mental tricks that have helped to keep him alive, well, I don t want to be unkind, but it would be kind of stupid not to read it. Rory Miller, author of Facing Violence.
