

The Power of Appreciation: A Gratitude Diary Notebook Journal

By James Allen Proctor

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Writing in this journal only a few minutes a day can have an incredibly positive impact on your life. Filled with short inspirational quotes, this simple journal offers a framework for practicing the power of gratitude each day while keeping a record of your blessings for future inspiration. A recent study on gratitude by Psychologist Robert Emmons found the following benefits of a daily practice of gratitude: 1. Greater happiness. People who kept a gratitude journal were 25 happier than those who just kept a journal of routine daily events. 2. Better sleep. People who kept a gratitude journal slept 12 longer and woke up 15 more refreshed than those that didn't. 3. Physical. Those who keep a Gratitude journal exercised 30 more than their non-journaling counterparts. 4. No side effects. Optimism, gratitude and other self-development practices are being studied to determine their ability to short-circuit depression and reduce blood pressure. This book is designed to help you get all those benefits as you develop a more in-depth relationship with gratitude and to create positive feelings...

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again and again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.

-- Andres Bashirian

Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.
