Excerpt from An Egg Check List of North American Birds: Giving Accurate Descriptions of the Color and Size of the Eggs, and Locations of the Nests of the Land and Water Birds of North America The unprecedented interest manifest in the delightful study of Birds, their nests and eggs has, within the past few years called forth numerous works on the subject, and the literature of the study has vastly increased, especially in this country, where the held is comparatively new. The present publication is an entirely new departure from the beaten paths of voluminous works. It treats especially the subject indicated in its title. Probably no one has felt the need of a work of this character more than the writer. In making a life business of Natural History, I receive numerous inquiries of the following nature - often, written on postal cards: Please describe the eggs of the following birds for me; also state the location where I am likely to find their nests, i. e., Carolina Wren, Red-tailed Hawk, Kingfisher, Blue-yellow-backed Warbler, and be...
