Springer-Verlag New York Inc., United States, 2013. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book. This volume contains the Proceedings of a Conference on Inter- disciplinary Investigation of the Brain held at Oxford, 11-13th, April 1972. The Congress was organised by the UK Liaison Committee for Sciences Allied to Medicine and Biology (SAMB). This organisation was set up in 1965 to promote the interdisciplinary approach to medical and biological problems. The present \*Conference is the third to be held under the auspices of SAMB. It was planned to cover a wide range of interests by inviting workers from various disciplines to speak about their work in progress. It is hoped that the present volume will be of interest and will vindicate this multidisciplinary approach. SESSIONAL CHARMEN R. Cooper Burden Neurological Centre, Stapleton, Bristol, England E. S. Watkins Department of Neurosurgery, London Hospital, Whitechapel, London, EI, England W. A. Cobb National Hospital for Nervous Diseases, Queens Square, London, WCI, England J. P. M.
