

Pharmacology: The Action and Uses of Drugs (Classic Reprint)

By Maurice Vejux Tyrode

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Pharmacology: The Action and Uses of Drugs As a teacher of Pharmacology, the author was frequently asked by his pupils for a small and concise text-book which would give the facts essential to an elementary medical student without extensive discussions of opposite opinions. It has been in an attempt to supply such a work that the following pages have been written. Although the volume is small, all the standard literature was consulted and carefully weighed before being admitted or rejected, and the criterion was always to preserve all the essential, known facts regarding the action of drugs, but to reject vague and contradictory statements of no importance which would but confuse the beginner. At the end of each group description there is a brief summary of the general action; following the latter is a short statement concerning the uses and applications, and, lastly there is a concise description of the different preparations used in medicine with their doses. The author does not claim for the book that it is an exhaustive treatise on Pharmacology suitable...
